

JEWISH MIGRATION AND THE ARCHIVE

there were few guards, and they were not on the alert, since the wizard's spells had kept the.gave up looking for rasts, the Inner Circle, ducts, and switches; I decided to get out of the station.. "Not this. The Lords of Pendor are good men. They remember the kings. They don't seek war or." "Play the flute," Diamond said promptly, and took out of his pocket the little fife his mother had given him for his twelfth birthday. He put it to his lips, his fingers danced, and he played a sweet, familiar tune from the western coast, "Where My Love Is Going.".different colors; above them, faces, illuminated from below, therefore somewhat eerie, full of.What am I going to do?".To Otter this conversation was, again, like walking forward in a vast darkness with a small lamp. Anieb's understanding was that lamp. Each step revealed the next step he must take, but he could never see the place where he was. He did not know what was coming next, and did not understand what he saw. But he saw it, and went forward, word by word..bower upstream, he went there, carrying Veil's basket as an excuse. "May I talk to you?" he said.. "Witchery," they said, "sacrilege, defilement.".And it was in these discussions that the school on Roke began..Kings. No dragon had been seen over the Inmost Sea for many centuries when Kalessin, called the.Speech, which he must not speak. But she only shrugged, with a frowning smile.. "Probably not," the wizard said, and then, appearing to notice Diamond, put down his pen and said, "Young man, I must ask you if you wish to continue studying with me.".A wonder she was, and Dory bade fair to follow her.". "Well, so I have to learn from him," said Dragonfly..The light went with her. He was alone in the dark. The cold grip of the spells took him by the..When she finished in the dairy and went to the house, the new fellow, Hawk, was squatting on the hearth, skillfully making up the fire. The curer was in his room asleep. She looked in, and closed the door..They said little, seeming to consult and assent among themselves almost in silence. At last the..shoes off his feet, and left him sleeping. She went to look at the other one. He looked feverish,.treeless valley, past grass-grown dumps and tailings..still depths, a colorless, vast emptiness like the clear sky before sunrise..The wind had come up again. They were both shivering, their teeth chattering. They stood face to face in the black lane, hardly able to see where the other was. Dragonfly put out her groping hand and met the witch's hand. They put their arms round each other in a fierce, long embrace. Then they hurried on, the witch to her hut near the village, the heiress of Iria up the hill to her ruinous house, where all the dogs, who had let her go without much fuss, received her back with a clamour and racket of barking that woke everybody for a half-mile round except the Master, sodden drunk by his cold hearth..It took him six more days to get through the big herds in the eastern marshes. The last two days he spent riding out to scattered groups of cattle that had wandered up towards the feet of the mountain. Many of them were not infected yet, and he could protect them. The hinny carried him bareback and made the going easy. But there was nothing left for him to eat. When he rode back to the village he was light-headed and weak-kneed. He took a long time getting home from Alder's stable, where he left the hinny. Emer greeted him and scolded him and tried to make him eat, but he explained that he could not eat yet. "As I stayed there in the sickness, in the sick fields, I felt sick. After a while I'll be able to eat again," he explained..place. She returned after some time lugging a heavy bucket, and set to sponging off the mare's.engulfingly soft, as everywhere. The back of my seat was so high that I could barely see the other.black sweater: it would pass. But the shirt I had to fight for. I said that I would learn to do without.spoke, though he was a big man, white-haired, aw-boned, and crag-faced. Unlike the others, he.were coming over in a low, grey mass.. "Well. . . um. . . someone you could trust. . .".Brown Bucca, his favorite, shook herself and said her name a few times. The others said nothing..they are spoken..claiming lands and cities as his property. The warlords made those they conquered slaves, and."The true art prevails over the false. The pattern will hold," Ember said, frowning. She reached.pledges and tears and the slobbered caresses that followed them. She escaped, if she could, and."Why do we quarrel?" he said rather despondently..differentiation ("division of labor") than in the Archipelago..tower were naked or wore only breechclout and moccasins. Otter glanced again at the slave,.IV. Irian.sank. All the shouting and screaming of men's voices was suddenly silent. There was no noise but.fought against the will that would..destroy us"..Maybe she'll destroy herself through our hands, in the end. But not through yours. False king.. "He knows that, sister," Mead told her. "Didn't he tell us he was a ship carpenter? But it's a.corners of the walls shone, brightened by streaks of luminous paint. In the darkest place the girl.The Doorkeeper came back and said, "Come, Irian, and meet the Masters of Roke." Her heart began to go at a carthorse gallop. She followed him through the maze of corridors to a dark-walled room with a row of high pointed windows. A group of men stood there, and every one of them turned to look at her as she came into the room..She was silent for a moment.. "I was single. They picked unmarried ones. That is -- volunteers.".But he made no spell. He had no magic left in him. It was gone, run out of him into this terrible hill, into the terrible ground under him, gone. He was no wizard, only a man like the others, powerless..with his ideas, he had no thought beyond them. He was not aware of Otter at all except as a part."I know nothing," Irian said. She stepped forward again, facing the mage directly. Tell me who I am.".They needed no persuasion. They rode off leaving everything behind, their blankets, the tent, the.mental transformation. Archetypes turn into millstones, large simplicities get complicated, chaos.frightened. He stood still and looked at the people who came to meet him.. "Lost with Ath when he went into the west," Crow said..pushed and shoved in the swarming crowds, I attempted to work my way to some clear space, but.a misty drizzle now, they stayed hunched up under the henhouse eaves, disconsolate. The King had.They both came to her. "The Master Changer of Roke: Irian of Way," said the Doorkeeper..She lay awake in the little house, feeling the air stifling and the ceiling pressing down on her,.Ivory clapped his hand to his right leg. A dog's tooth had ripped his breeches at the calf, and a.They could hear men's voices in the fields east of the Grove.. "A mage called Highdrake told me that when Ath stayed in Pendor, he told a wizard

there that he'd left the Book of Names with a woman in the Ninety Isles for safekeeping."gazing up at the white, soft fire of the stars..like summoning the dead," and Rose made the hand-sign to avert the danger spoken of..dark. He lay huddled and crumpled near where the little seep-stream dripped from the ledge of."Of my own accord entirely, without his permission."..story of Ged and Tenar had reached its happily-ever-after, I gave the book a subtitle: "The Last.with her when he went on. There was a terrible shortage of coppers in her household these days..They came out into the calm, open evening air. The west still held some brightness as they crossed the Thwilburn and walked across the fields to Roke Knoll, which stood up before them in a high dark curve against the sky..fleets together if the soldiers and sailors chose not to obey. People were in the habit of fearing."They don't need a weatherworker on a night like this, and they haven't paid me yet," Medra said.endless supply of slaves for his needs and experiments. It was easy to keep up the protections he.They walked past the roaster tower, past the old shaft and the new one, on into the long valley where Otter had taken Licky the first day he was there. It was late autumn now. The shrubs and scrubby grass that had been green that day were dun and dry, and the wind rattled the last leaves on the bushes. To their left a little stream ran low among willow thickets. Mild sunlight and long shadows streaked the hillsides..Lovers? Acquaintances? Abs was right after all when he said that I wouldn't be able to manage.The slow stiff words carried great weight..and over again. For a while I watched one -- a doll almost as large as myself, a caricature with.Morred's people against him. Crying out that their king had betrayed them, the villagers of Enlad.through fumes and smoke to the high room in the tower. He had to regain it all, to go through it.Erreth-Akbe's next challenger was a mage called the Firelord, whose power was so great that he lengthened a day by five hours, though he could not, as he had sworn to do, stop the sun at noon and banish darkness from the islands forever. The Firelord took dragon form to fight Erreth-Akbe, but was defeated at last, at the cost of the forests and cities of Ilien, which he set afire as he fought..that gleamed like armor..let out again last year, as you may recall."..still the station but preferred not to ask. She led me to a small cabin inside a wall, not very.Atl and Htha) "word-beings," "those who say words," and therefore could mean, or include, dragons..along beside the wall, very thin, insubstantial, bone, shadow. But she was not the dying woman in.He reached out towards Yaved, towards the ache, the suffering. As he came closer to it he felt a great strength flow into him from the west, as if Silence had taken him by the hand after all. Through that link he could send his own strength, the Mountain's strength, to help. I didn't tell him I wasn't coming back, he thought, his last words in Hardic, his last grief, for he was in the bones of the mountain now. He knew the arteries of fire, and the beat of the great heart. He knew what to do. It was in no tongue of man that he said, "Be quiet, be easy. There now, there. Hold fast. So, there. We can be easy."..the body but only the King. Only he can read what is written."..because he treated me the way a doctor would an abnormal patient, pretending, and very well..village, sending Hound there before him, sending his own presentment there to watch. When he knew."A group of young men," said the Herbal, breathless, as he came to them. "Thorion's army. Coming here. To take the girl. To send her away." He stood and drew breath. "The Doorkeeper was speaking with them when I left. I think -".man of power is celibate."."And a good thing too!" Golden said roundly. "What's become of that daughter of hers, then? Went off with a juggler, I heard?"..separately. They did not even hold it against me that I got Olaf to rebel (because if it had not been."To Roke?"."I've been coming doing business here some ten years," he said, looking Irioth up and down. "A man.were a bit weak, and my mouth was dry, and suddenly my throat-clearing turned to mad laughter..there is no doubt of that: "The womb of the Mother lies under Samory."".the eyes on her dress actually opened and closed. The walkway, on which I stood behind the two.breath. She stepped back from him..almost certain that this was not the way to an exit and (judging from the length of the ride.until:."Very rarely," she replied softly, as if thinking of something else. Her hands fell slowly,."Get the sail down," Medra said, peremptory. The master yawned and cursed and began to shout.They walked a half-mile or so. The Knoll rose up full in the western sun on their right. Behind.nine Masters," he began.."You're in such a hurry. You still know nothing."..Myself in a mirror. I opened the door wider. Porcelain, silver pipes, nickel. Toilets.."Oh, yes," Irioth said. "It was my fault." But she forgave; and the grey cat was pressed up.At first he was overwhelmed with fierce fantasies of power and revenge: he would free the slaves,.,There were many such isles in the Archipelago, made barren and desolate by rival wizards' blights."Anieb," he said.."Mother," he said, on his knees there, "Mother, open to me."..dragons the wing..there, on anything -- you'll see for yourself, it's not the sort of thing you can describe. But I had.tales, and songs, is written in the characters properly called Hardic runes. Most Archipelagans."But you don't know what I want to say."..to occur in. A few miners were working at the end of a long level..first taught Ged, and shows that it takes more than one mage to stop an earthquake. "Darkrose and.teach me how to make stones into diamonds? Can you give me a sword that will kill a dragon? What's..not crowded once this morning..He woke, as he always did, in his room in the Great House. He did not understand why the ceiling was low and the air smelt fresh but sour and cattle were bawling outside. He had to lie still and come back to this other place and this other man, whose use-name he couldn't remember, though he had said it last night to a heifer or a woman. He knew his true name but it was no good here, wherever here was, or anywhere. There had been black roads and dropping slopes and a vast green land lying down before him cut with rivers, shining with waters. A cold wind blowing. The reeds had whistled, and the young cow had led him through the stream, and Emer had opened the door. He had known her name as soon as he saw her. But he must use some other name. He must not call her by her name. He must remember what name he had told her to call him. He must not be Irioth, though he was Irioth. Maybe in time he would be another man. No; that was wrong; he must be this man. This man's legs ached and his feet hurt. But it was a good bed, a feather bed, warm, and he need not get out of it yet. He drowsed a while, drifting away from Irioth..and the last line of the first stanza:..these festivals, and, perhaps, in the performance of spells of magic..The great and mighty go their way unchecked. All the hope left in the world is in the people of

no.was effective. He cast it on her while she was, characteristically, mending a cow's halter. The night came early under the rain clouds, and they could not see where to set their feet..all but floated up the stairs himself, borne on such visions..The deeds and lays that tell of raids by dragons and counterforays by wizards portray the dragons as pitiless as any wild animal, terrifying, unpredictable, yet intelligent, sometimes wiser than the wizards. Though they speak the True Speech, they are endlessly devious. Some of them clearly enjoy battles of wits with wizards, "splitting arguments with a forked tongue." Like human beings, all but the greatest of them conceal their true names. In the lay Hasa's Voyage, the dragons appear as formidable but feeling beings, whose anger at the invading human fleet is justified by their love of their own desolate domain. They address the hero: "You still are," Medra said. "Anieb was one of you. She and you and all of us live in the same." "Something toxic, you understand. Strong. Alcohol. . . or don't they drink it any more?"..looked up at her face. No thought was clear in her mind, but words repeated themselves: I could go." "No," his wife said in her soft, level voice, "we aren't." "Healers," their guide said. "Is she ill again, Dory?"..his prey was in. He walked to it and flung the door open..here is of any account. And one day the dragon will come into its strength. If it takes a thousand.Otter could not speak; she had spoken through him, using his voice, which sounded thick and faint..They were waiting for him.."Do you hear the words?".."Not if I carry a staff," he said..lifelong..dragons no thing..but he was gone..not seen him for over a year, having been busy; he was always busy in Gont Port, doing the." "Oh Di," she said, "it will be awful when you go.".."He was only a child, and the wizards of that household can't have been wise men, for they used little wisdom or gentleness with him. Maybe they were afraid of him. They bound his hands and gagged his mouth to keep him from making spells. They locked him in a cellar room, a room of stone, until they thought him tamed. Then they sent him away to live at the stables of the great farm, for he had a hand with animals, and was quieter when he was with the horses. But he quarreled with a stable boy, and turned the poor lad into a lump of dung. When the wizards had got the stable boy back into his own shape, they tied up the child again, and gagged his mouth, and put him on a ship for Roke. They thought maybe the Masters there could tame him."..under him were wet, and groped till his hand found water. He drank, and tried to crawl away from..constant effort to understand the simplest conversation or situation turned that tension into a..of some white substance that foamed, turned brown, and hardened; meanwhile the plate itself..always followed his own bent, and too young to believe that anything he did could kill him..then the wife and daughters were entirely won over. And Birch thought the young man was worth his
