The boy's drop-jawed stare irritated Hemlock, though he knew it shouldn't. Wizards are used to. "Di thought it up," Rose said. "Yes," Tern said, "and I will till she dies. And then I'll take her daughter to Roke. And if you want to read the Book of Names, you can come with us." My expression amused her. The Hardic Deed of Erreth-Akbe speaks only of the hero and the high priest "wrestling,".It was as strangely quiet as the farmlands. Not a voice, not a face. It was difficult to feel uneasy in an ordinary-looking town on a sweet spring morning, but in such silence he must wonder if he was indeed in a plague-stricken place or an island under a curse. He went on. Between a house and an old plum tree was a wash line, the clothes pinned on it flapping in the sunny breeze. A cat came round the corner of a garden, no abandoned starveling but a white-pawed, well-whiskered, prosperous cat. And at last, coming down the steep little street, which here was cobbled, he heard voices..leaves say is change, change... Everything will change but them." They welcomed him with disbelieving joy. Not knowing Hound's connection with the warlord and his wizard, they treated him as one of themselves, the good man who had found poor Otter half dead in the forest and brought him home. A wise man, said Otter's mother Rose, surely a wise man. Nothing was too good for such a man.. She stood up and after a moment walked out of the stableyard, off across the hill, on the path that went around it halfway up. One of the dogs, her favorite, a big, ugly, heavy-headed hound, followed her. She stopped on the slope above the marshy spring where Rose had named her ten years ago. She stood there; the dog sat down beside her and looked up at her face. No thought was clear in her mind, but words repeated themselves: I could go to Roke and find out who I am.. "Patterner," said the Doorkeeper, not at all surprised..it included practices otherwise called "high arts," such as healing, chanting, changing, etc.. "Even if I argued for you. They won't listen. The Rule of Roke forbids women to be taught any high art, any word of the Language of the Making. It's always been so. They will not listen. So they must be shown! And we'll show them, you and I. We'll teach them. You must have courage, Dragonfly. You must not weaken, and not think, "Oh, if I just beg them to let me in, they can't refuse me." They can, and will. And if you reveal yourself, they will punish you. And me." He put a ponderous emphasis on the last word, and inwardly murmured, "Avert..".often; the chance of his ever having to use it was very slight. It would stop raining soon. He pulled up his hood and went out into the rain to feed the chickens..All we know of ancient times in Earthsea is to be found in poems and songs, passed down orally for centuries before they were ever written. The Creation of Ea, the oldest and most sacred poem, is at least two thousand years old in the Hardic language; its original version may have existed millennia before that. Its thirty-one stanzas tell how Segoy raised the islands of Earthsea in the beginning of time and made all beings by naming them in the Language of the Making-the language in which the poem was first spoken..to him, words he had never said or thought

So now she's not a child, and she has no name. So then you wait. You open your mind up, like. Like opening the doors of a house to the wind. So it comes. Your tongue speaks it, the name.
