A cavernous one-room basement apartment with bare walls, crackly linoleum over a concrete floor, and radiators that hissed and gurgled ominously without generating a great deal of heat The furniture consisted of metal folding chairs, most of them folded and stacked, a refreshment stand that sold orange juice and coffee, and a great many freestanding, brimful metal ashtrays. If you're the sort who likes to sniff the air for trends, you may have detected a smell of old attics, as much sf seemed to swing back to traditional, even old-fashioned themes and forms. "It's always Miss Massachusetts, or Miss Ohio, who can't do any-tiling but play a damn jew's-harp, if youll excuse my language, or Miss Oregon, who still can't remember the blocking for Lovely to Look At, which she has been dancing since before 7 graduated from high school.
